General Information

We prefer to receive items **Fully assembled** or **Fully disassembled** (just the parts that are being coated and please do not include extra parts). If you send us a disassembled gun or gun parts, **you must include an itemized inventory/packing list. We will not be responsible for lost parts** (Be sure to use our Work Request Form) if no inventory/packing list is included. Re-finishing your firearm with Cerakote does not include the removal of existing pitting, dings or scratches (except minor imperfections removed with normal blasting/etching procedure). Detailed Metal Preparation is available at additional cost; on a per-hour basis. We can provide a quote once we have received your items. *Please note, our prices do not include sales tax* (when applicable).

****Disclaimers****

Please note, stencil pattern prices reflect the time, knowledge, and experience needed to apply Custom Cerakote and is the same as, coating 3-4 single color items- adding multiple layers of color. Due to the application processes (layers of patterns and colors), normal minor defects can be present- every effort is made to keep it as minor as possible.
